### HOW TO TAKE PART IN THE MR GUM 100% UNOFFICIAL CARD GAME TOURNAMENT

1. To use the tournament table provided below you really need to have four, eight, or sixteen players.
2. If you have a large number of players divide them into groups of eight or four.
3. You need one set of Mr. Gum 100% Unofficial playing cards for each pair (or trio) of contestants.
4. Once all the players are assembled enter their names in the tournament table below.
5. Players should start at the same time.
6. The player with the most cards after 5 minutes is the winner.
7. The winner's move forward to the next round on the table.
8. This continues for as many rounds as is necessary (depending on the number of people playing) until the final round.
9. There is no time limit on the final round and the player who wins all of the cards is declared the winner.
10. If the winner asks for a prize, just give them a cardboard box. Children love cardboard boxes.

YOU CAN'T PLAY THE UNOFFICIAL MR GUM CARD GAME BY SITTING THERE JUST LOOKING AT IT! CUT OUT THE CARDS BELOW, KIDNAP YOUR NEIGHBOUR, AND FORCE THEM TO PLAY IT OVER AND OVER AND OVER AND OVER AND OVER AND OVER AND OVER AGAIN.
