## CHAPTER ONE Beautiful in the day, ogre at night!

Princess Fiona was a princess in the day, but at night she was an ogre!

'This is a big problem,' said the King.

The King and Queen put Fiona in a tower. She waited and waited for True Love's Kiss.

Rumpelstiltskin came to see the King and Queen. Rumpelstiltskin was a bad man.

'I can help you,' he said. 'Fiona can be a princess all the time. But I must have Far Far Away.'

Then a man came from Fiona's tower. 'Fiona had True Love's Kiss!' he said.

Rumpelstiltskin was very angry! 'Who kissed her?' he thought.
