# The birthday party

- Tom is having a birthday party. He has invited four friends. He has £6.50 to spend.
- These are the things he needs to buy for each person:

List
paper plate
paper cup
savoury food
sweet food
drink

He also needs to buy a prize for each of four games. Make a shopping list for him from the items shown.

If you were giving a party, what would you buy? How much would it cost?
