# Investigating birds' beaks

You will need:  
stopclock, beak models and foods shown on this page, My planning sheets 1 and 2, My results sheet, Looking at my results sheet

- How does the size of a bird's beak affect the size of food it can pick up?
- Use these model beaks to find out.

Beak	Pieces picked up per minute		
	millet	corn	biscuit
tweezers			
chopsticks			
tongs			
servers
