

Hepzibah and me

You are one of the evacuated children. You are in the village hall waiting to be chosen. Then Hepzibah comes in and picks you. Use this sheet to plan your story of what happens and how you feel. Make notes to help your planning.

Who are you?	Name? Age? Where are you from? What are you carrying?
The village hall.	Description. Smell? Other children? Your feelings: Scared? Hungry? Excited?
Hepzibah comes in.	What does she look like? Do you want her to choose you?
What do you talk about?	Does Hepzibah ask you questions? Are you shy or chatty?
You walk to Druid's Bottom with her.	How long does it take? Does it get dark? Is the countryside strange?
You get to Druid's Bottom.	What does it look like? Weird? Scary? Beautiful? What do you feel about the idea of living there?
You go inside. Suddenly you feel happy and safe. Why?	What do you see? What do you smell? Describe the kitchen. What does Hepzibah do? Give you something to eat? Is Mister Johnny there? If he is, how does he react to you? How do you feel about him?
