

Section 2: Developing writing

Concrete poetry

- A concrete poem is a poem that is arranged on the page to look like the subject of the poem. For example:

```

tiny
  drops
    d   of
    r   rain
    i   d
    z   o
    z   w
    l   n
    e
  
```

- Now write your own concrete poem on a subject related to the weather. Choose from:

snow ice frost wind sun rainbow fog

Planning tip

- It might help you to sketch the shape of your poem in the first box.
- In the second box, plan the poem using your sketch.

- When your plan is complete, rewrite the poem on a separate sheet of paper.
