

Investigating frames

► Choose a photograph frame to sketch.

Front view:

1. What materials have been used?

2. Who would want to use this frame?

3. What decoration is on it?

Back view:

4. How is the picture put in?

5. How have the parts of the frame been joined?

6. What decoration is on it?

Side view:

7. How does the frame stand up?

8. Is the structure stable?
