## **The Spelling Song** (to the tune of *Knees Up Mother Brown*)

Chorus: Look say cover write check (yeah!)  
 Look say cover write check (yeah!)  
 Look say cover  
 Look say cover  
 Look say cover write check (yeah!)

Look for family links  
 Look for letter strings  
 Double letters  
 Trouble letters  
 Look, look, look and THINK!

### *Chorus*

SAAAAAY... syllables loud and clear  
 Say vowels so you can hear  
 Don't forget a  
 Single letter  
 Say and use your EARS!

### *Chorus*

Cover and write it plain  
 Check that word again  
 You can tell a  
 Brilliant speller  
 By eye, ear, hand and brain!

### *Chorus*

## **The Sentence Song** (to the tune of *My Bonnie Lies Over the Ocean*)

Oh, sentences break up your writing,  
 They show where to stop for a rest,  
 They help make your writing exciting,  
 They help make your stories the best.

### *Chorus:*

Sentence... sentence...  
 Oh, sentences make text make sense, make sense.  
 Sentence... sentence...  
 Oh, sentences make text make sense.

So tell me, how long is a sentence?  
 And is it the same as a line?  
 No – it can be longer or shorter –  
 As long as it makes sense, it's fine.

### *Chorus*

It starts with a capital letter.  
 It finishes with a full stop.  
 It makes writing clearer and better –  
 So come on, then, right from the top:

### *Chorus*
