

# Make the world a better place

Making friends, making friends,  
That's the way that anger ends.

*Make the world a better place,  
Give ev'ryone a happy face.*

Being kind, being kind,  
Leaving all the grumps behind.

*Chorus*

Helping hand, helping hand,  
Give your friends a helping hand.

*Chorus*

Smiling through, smiling through,  
Let's send smiles from me to you.

*Chorus*
