

Under the sea

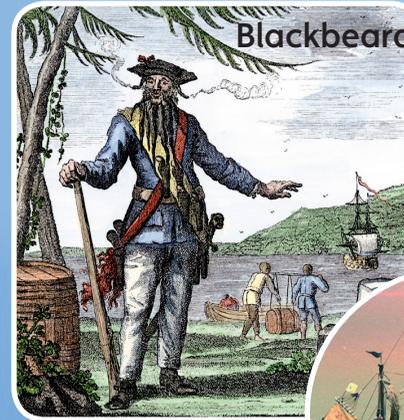

There are many old ships under the sea. Divers sometimes look for things under the sea for museums.

The *Titanic* is a very big and famous ship. Now it is 3,800 metres under the sea!

The *Titanic*
10 April 1912 – 14 April 1912

Look at the things from the *Titanic*. How old are they?

This is Blackbeard. He is a famous pirate. His big ship, the *Queen Anne's Revenge* is under the sea too. Divers are looking for the things from his ship.

The *Queen Anne's Revenge*
1716 – 1718

diver

This is a cannon from the *Queen Anne's Revenge*. You can see it in a museum in North Carolina, USA.
