

What do animals do in winter?

Draw lines to connect each picture of an animal to its description. Write the correct name by each picture.

I huddle up with my friends.

I have a nice long sleep.

I have a warm hat and coat.

I visit gardens to look for food.

I'm very good at getting to food that wasn't meant for me.

dormouse

squirrel

blue tit

emperor penguin

human

I can say what some animals do in winter. How did you do?
