

A Day on the Wagon Train

It is 1843. Your family is one of the first to travel from the east of the United States of America to a new life on the west coast. The journey lasts six months.

This is a typical day on the prairie. Choose the correct verbs and complete the sentences.

- | | | | |
|---------------|--------------------|------------------|----------------|
| E find | I is | C wake up | R see |
| A rest | R starts | O have | L cooks |
| G help | F washes up | A get | O walk |
| O puts | N sleep | I cross | N ride |
