

# Postcards: From a good hotel?

- 1 Look at the picture. Sam is on holiday and she is staying at this hotel. She has written a postcard to her friend but she doesn't want to tell him how awful the hotel is! Read her postcard, cross out the wrong words and write the correct information.

*terrible*

*Hello from a ~~wonderful~~ hotel! There's lots to do here. The swimming pool is enormous and the beach is near the hotel. The hotel is very clean and the food is delicious. It's hot and sunny, and ice creams are really cheap! I wish you were here!*

*Best wishes,*

*Sam*
