# Three Silly Things to Do with a Sock

1. Fill it with custard –  
Lovely yellow stuff.  
It will seep through the knitting  
And gum up the fluff.

2. Wear it on your ear.  
Let it wave and flap.  
Or balance it on the top of your head,  
And say it is a cap.

3. Cook it for your tea,  
Eat it with ketchup and with chips.  
To show that you've enjoyed it  
Be sure to lick your lips.

# A Charm to Make Your PE Teacher's Football Boots 3 Sizes Smaller

*(While he is wearing them...)*

Stand on one leg and say "Oooo!"

Stand on the other. Say "Aaaah..."

Then shout – "Feet, you stink – poo!

Boots, I shrink you!"

Then the walls of his boots

Will come leathering in

Like a boa constrictor

Squeezing his skin.

Imagine your teacher's wriggly toes

All squashed together in two pink rows.

The harder you wish it

The tighter you'll squish it.

This spell is probably your only chance

Of making your teacher ballet dance!

*Jan Dean*
