

Alien Rescue

Follow the leader

In *Alien Rescue*, several different characters are leaders, or try to be leaders. Z-kee is the leader of the Halycrusians, but R-cher would like to be their leader, and, in some ways, Scott is the leader of the boys who visit Halycrus.

1. Decide which of these characters you think is the best leader and explain why. Remember to use evidence from the book to help you.

I think _____ is the best leader.

This is because _____

2. Circle the words/phrases that describe a good leader.
