KRAANG ATTACK!

CHAPTER ONE
'Who makes the mutagen?'

'Why are we here?' asked Mikey.

It was night in New York and the Turtles waited and watched.

'We want to find April,' said Leo. 'Someone down there knows something.'

A van drove into the road.

'Yes!' said Leo. 'Let's go and ask that man.'

The Turtles jumped down.

'Stop!' Raph shouted to the man.

'There are four of us and one of you,' said Donnie. 'So what are you going to do?'

The man shot at the Turtles and drove away.

'Oh no!' shouted Raph to Donnie. 'Why did you ask that?'
