

Adjectives

What is an adjective?

Recap

Adjectives are often called describing words. They describe features of nouns such as colour, age, shape or size.

Revise

Look at the adjectives highlighted in these sentences. They give you more information about the noun.

The **old** lady got on the **red** bus.
The **slimy** frog sat on the **green** lily-pad.
My aunt's car is **rusty**.

Tip

Adjectives can be used before or after a noun, to give more detail.

Skills check

1. Draw a circle around the adjectives in these sentences.

- The little girl had blue shoes.
- The dinosaur was huge and scary.
- Quickly, the tall man ran down the bumpy road.
