

About this pack

This pack provides you with practice papers to help support children with the Key Stage 2 Grammar, Punctuation & Spelling test. The pack consists of this introductory booklet and three sample tests.

Using the practice papers

The practice papers in this pack can be used as you would any other practice materials. The children will need to be familiar with specific test-focused skills, such as reading carefully, leaving questions until the end if they seem too difficult, working at a suitable pace and checking through their work.

About the tests

Each Grammar, Punctuation & Spelling test for Year 6 has two parts:

- a short-answer Grammar, Punctuation and Vocabulary test, lasting 45 minutes
- a spelling test lasting around 15 minutes (although this is untimed).

This pack provides three different tests and mark schemes (which can be found at the end of this booklet).

The script for the spelling task for each paper can be found later in this booklet.
