'It made a lot of food!' said Manny.

Suddenly the friends heard a helicopter. It was Chester V and his Thinkquanauts!

'Wow!' said Flint. 'My hero!'

'That's me!' said Flint.

'Come and work with me in San Franjose!' said Chester V.

'I don't know ...' said Flint. 'What are we going to do with all the food?'

'My Thinkquanauts can stay here and help,' said Chester V.

'Can my friends come too?' asked Flint.

'Of course!' said Chester V.
