STOP!

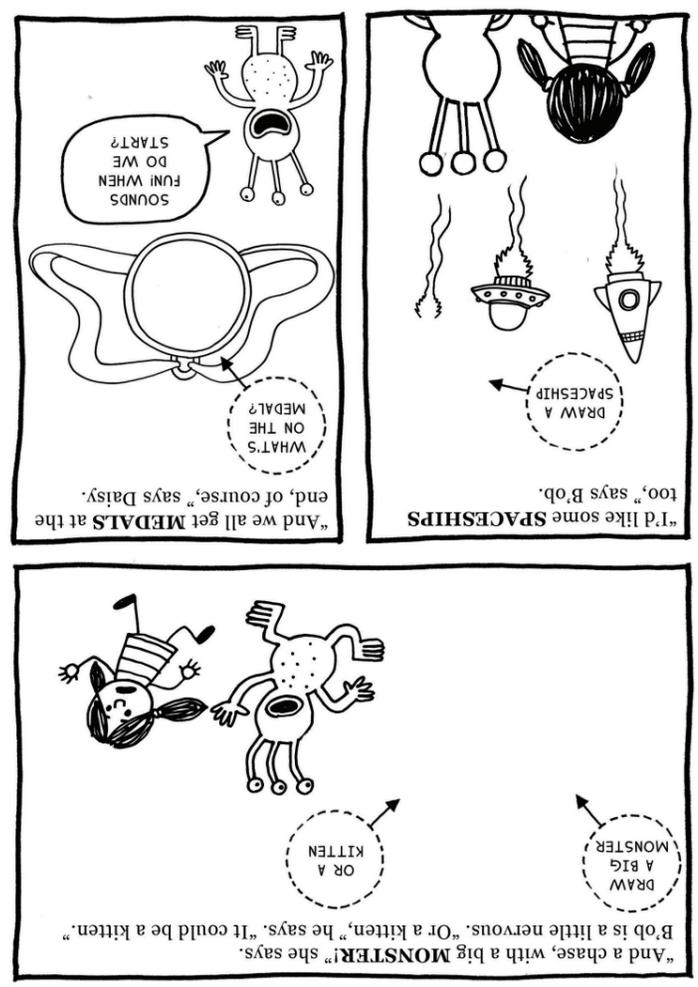

I know what you are thinking.
You want to flick ahead to the exciting bits.
Like the DOODLETOWN SKETCH and the CREATE YOUR OWN COMIC.
But first we have to get the boring bits out of the way.
Only joking! This is about ALIENS! It's ALL exciting.
So grab a pen or pencil and get creative...

Daisy and her friends live in Doodletown. It is a very nice town, as you can see, except for one **SMALL** problem. Everything is half drawn with bits and pieces missing!

*Can you draw my face please?

The Doodles are going to need **YOUR** help. So grab a pen or a pencil and finish the Doodles on this page.
