

# DREAMWORKS KUNG FU PANDA 3

## CHAPTER ONE

### Master Shifu's last class

Po and the Furious Five ran to the Jade Palace for their kung fu class. Master Shifu was there.

'Hello, students,' he said. 'Today is my last class.'

Everyone stopped. 'Why?' they asked.

'Because Po is going to be your teacher.'

'Why me?' asked Po.

'Because you're the Dragon Warrior. It's your turn.'

Po was not happy. 'How can I teach the Furious Five?' he thought.

'OK, Tigress, jump up!' he said. 'Now, Crane fly down! And Monkey, stand and fight!'

Bang! Crash! Everyone fell down.  
'This is no good!' said Po's friends.  
'I'm not a good teacher,' said Po sadly.

Po talked to Master Shifu.

'I don't want to teach,' said Po. 'I want to fight.'

'I can't teach you now,' answered Master Shifu.  
'I must learn about chi.'

'What's chi?' asked Po.

'Chi is the power in everything that lives,'  
answered Master Shifu and he walked away.
