

Make your own

royal crown!

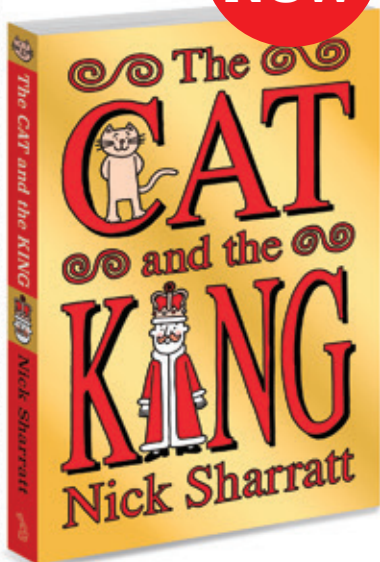

Design your own royal crown just like the one the king wears in "The Cat and the King." Once you've decorated your crown, follow the instructions so you can wear it!

1. Colour in the crown.
2. Stick it to a piece of cardboard – a cereal box would be perfect!
3. Carefully cut out your crown.
4. Cut a long, thin strip of card. It needs to go all the way round your head and overlap at the back.
5. Use glue or sticky tape to stick your crown to the centre of it. Stick the two ends of the long strip together – and wear your crown with pride!

ASK AN ADULT TO HELP YOU WITH CUTTING AND STICKING!
