

## Draw your own comic strip

Have a go at drawing your own comic strip about an exciting adventure you've had with your friends - or make one up! Don't forget to include captions and speech bubbles.

Check out *Sherlock Holmes and the Disappearing Diamond* for inspiration!

A grid of seven empty rectangular boxes with black borders, arranged in three rows: three boxes in the first row, two in the second, and two in the third. These are intended for drawing a comic strip.
