

# The Little Prince

## CHAPTER 1 The red rose

The Little Prince lives on a very small planet. He has yellow hair and green clothes.

There is a problem on his planet. There are many baobab trees. Every day there are new baobab trees. The Little Prince wants to stop them. He works every day, but he can't stop them.

One day, a new tree arrives on the Little Prince's planet. The Little Prince watches it for five days.

On the sixth day, the new tree opens. But it isn't a tree. It's a rose!

'You are very beautiful,' the Little Prince says.

'Yes, I am beautiful,' the rose says. 'I am a red rose. I am the *only* red rose.'

The prince looks at the rose.

'Well?' the rose says. 'Isn't it time for breakfast?'

'Oh!' the Little Prince says. 'I'm sorry!'

He gives her some water. But the rose isn't happy.

The rose is never happy. Every day she has a new problem.

First, the planet is cold. Then it's hot.

So the prince is sad.

## CHAPTER 2

### Two new planets

The Little Prince goes to some new planets.

On the first planet, he meets a king. The king is the only person on this planet.

'Every person on my planet listens to me,' the king says.  
'But you're the only person here,' says the Little Prince.  
'The people on planet Earth listen to me,' the king says.  
'They can't hear you.'

One day, the Little Prince says to the rose, 'I'm leaving.'

'Oh,' the rose says. Now *she* is sad.

'Aren't you angry with me?' the Little Prince asks.

'No, I'm not angry,' the rose says. 'I'm sorry. I'm a bad rose.'

The rose loves the Little Prince.

'Please be happy,' she says. 'Now, go!'

The Little Prince flies away.

And the rose cries.
