# Decorate your very own pirate hat and eye patch!
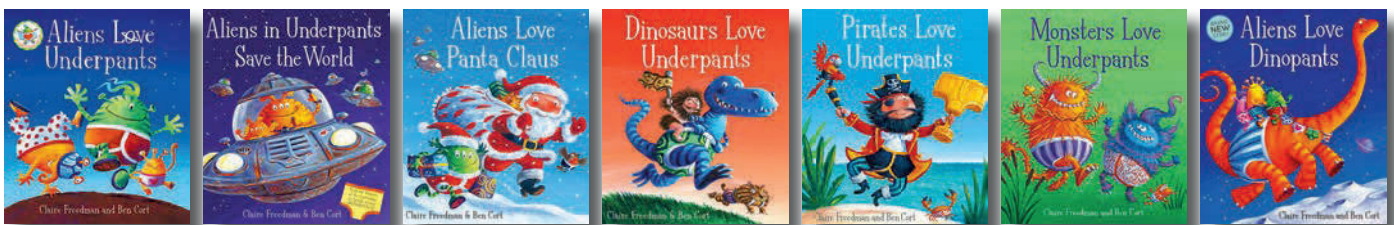

Why not get creative and try using a variety of materials from glitter, feathers and finger paints to stickers, sequins and felt-tip pens!

Step-by-step

1. Once you've decorated your hat and eye patch, ask an adult to help you cut around the outside of the patch and the hat.

2. Make two holes where shown and attach some string or elastic to fit around your head, then proudly wear your pirate hat and eye patch!
