

Magical Charm

Make your own special magical charm like the one Shimmer and Shine give to Leah. Don't forget to ask a grown-up to help you.

What you need

- a small clean jar or bottle
- paint and paintbrush
- water
- glitter
- special ingredients

What to do

- Paint a pretty pattern on your jar or bottle and leave to dry.
- Add some water and glitter to the jar or bottle.
- Choose three special ingredients to go into your jar or bottle. These could be a flower petal, a small pebble or a leaf.
- Put the lid on your jar or bottle and give it a shake to mix up the magic.
- Close your eyes, give the jar or bottle a rub and make a wish.

SHIMMER'S TIP!

Why not make a few magical charms to give to your friends, so they can make their wishes come true, too.

Magic Carpet Picnic

Have your own magic carpet adventure and plan the perfect picnic for you and your friends. Don't forget to ask a grown-up's permission and for their help in organising.

What you need

- a rug, sheet or picnic blanket for your magic carpet
- some delicious snacks to eat
- water, milk or juice to drink

Who to invite

Invite your friends, your family or even your toys to join you on your magic carpet adventure.

Where?

Find a quiet spot in your house, where you can spread out your carpet and have lots of space to play. If it's a sunny day, why not have your picnic outdoors in your garden or a park.

SHINE'S TIP!

Don't forget your carpet is a magic one, so close your eyes, make a wish and your picnic can be anywhere you want it to be!
