# CREATE A POP-UP CARD

Is there a special day coming up for someone you know? Why not make them a card yourself! Grab a sheet of paper and follow the instructions below.

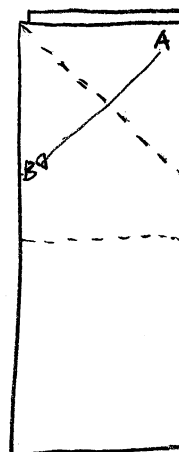

1. Fold in half THIS way.

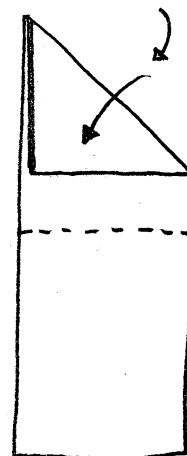

2. Then OPEN UP and fold in half THIS way.

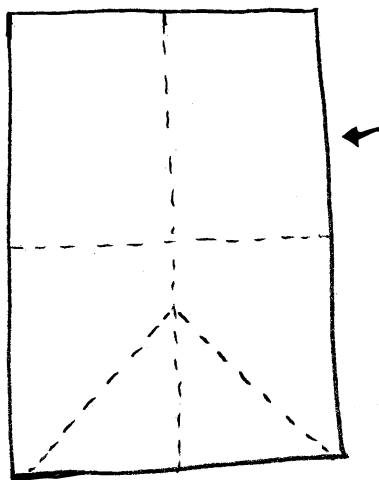

3. Fold down corner A ...

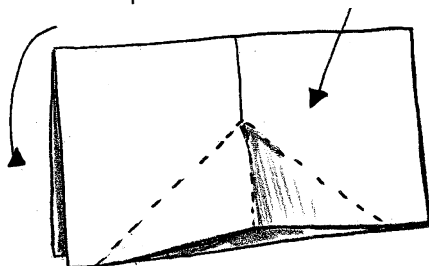

... to corner B, like this

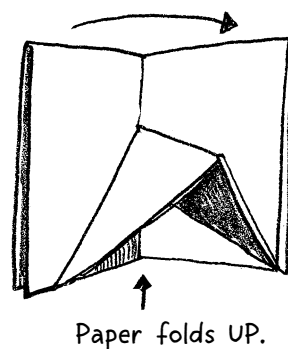

4. OPEN up your paper so you have all these FOLDS.

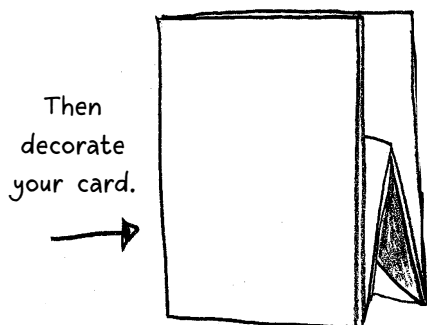

5. Fold in half so your triangle shape is inside the card.

6. This bit is fiddly! You need to make your triangle shape fold UPWARDS inside your card. Use the paper folds to help you.

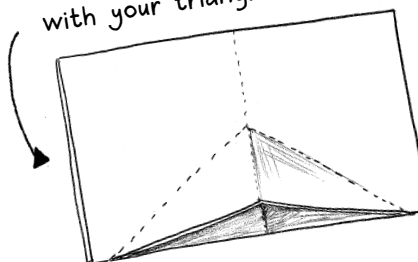

7. Your card should look like this when you fold it closed.

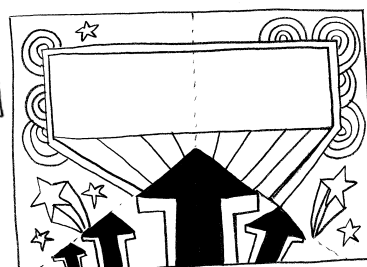

Fold inside.

Here's the inside of the card with your triangle POP-up.

If you draw an arrow ON the triangle, it will look like it's popping up.

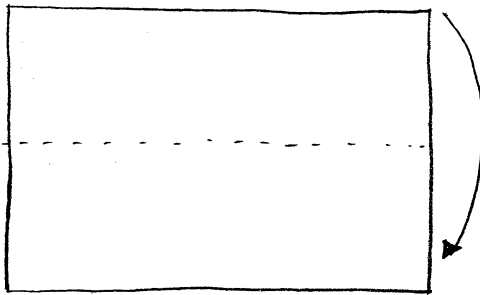

# MAKE A STAND-UP MONSTER!

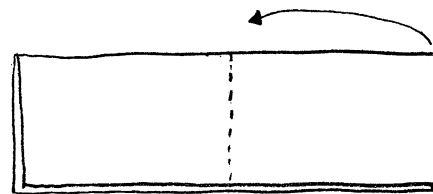

Use the instructions below to create your very own stand up monster with a sheet of paper!

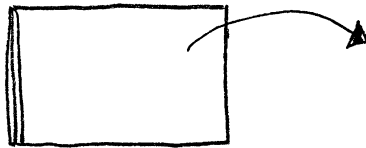

1. Take a piece of paper and fold it neatly in half.

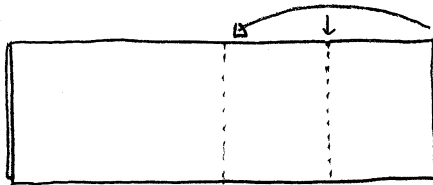

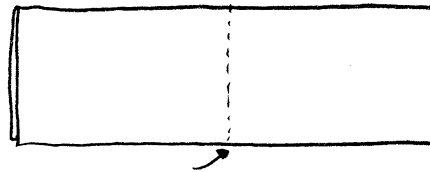

2. Then fold it in half again.

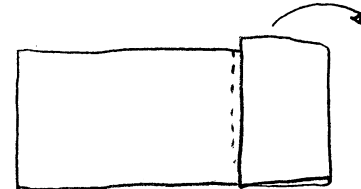

3. Open it up ...

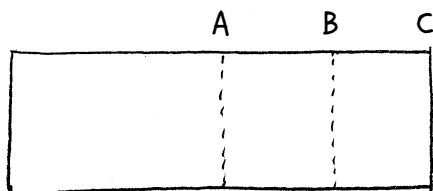

4. ... to leave a CREASE in the middle.

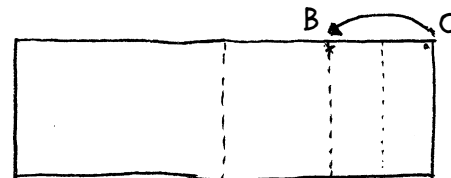

5. Take a corner and fold into the middle CREASE ...

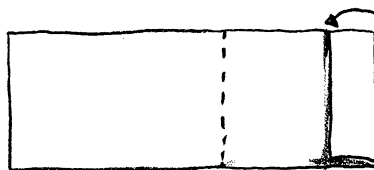

6. ... and open it back out ...

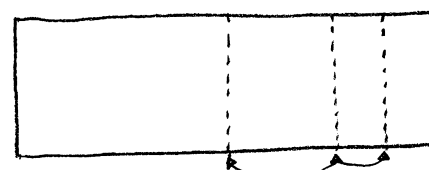

7. ... leaving two nice creases.

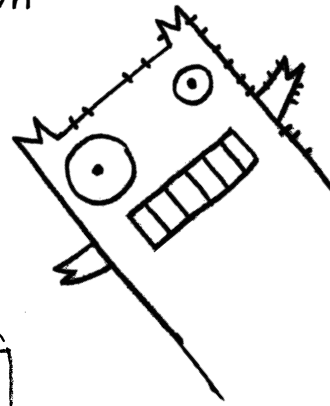

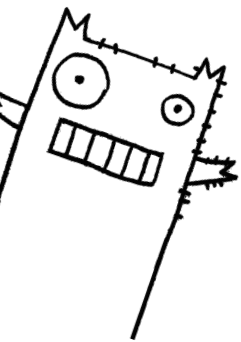

8. Next fold corner C to crease B.

9. Open it back up.

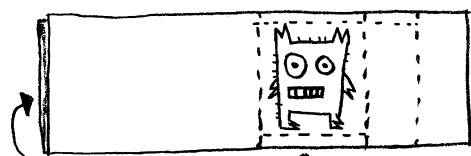

10. You should have three creases.

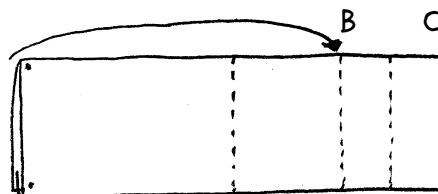

# MAKE A STAND-UP MONSTER!

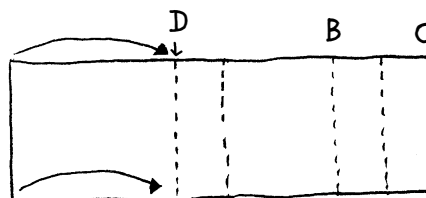

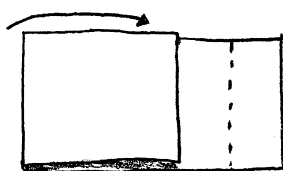

11. **TURN** over the paper and draw your monster in this section - don't draw right up to the edge though.

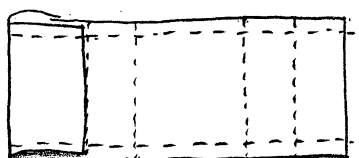

12. Then turn it back over - take the **LEFT** corners and fold to crease B.

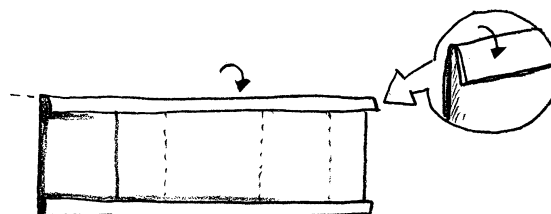

13. Make a nice crease again, then open it back up.

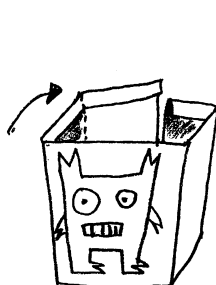

14. Then make one more fold to the new crease D you've just made.

15. Press down - but this time **DON'T** unfold it.

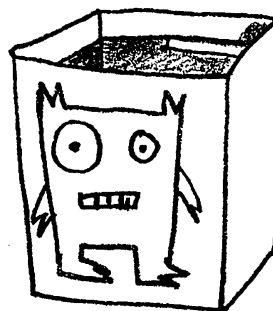

16. Then fold a small amount of paper over at the top and bottom.

17. **FOLD** the monster to look like the picture ...

... and slot one edge over the other to keep it rigid.

**TA-DAH!**

18. It should look like this!
