## CREATE A FRIENDSHIP PAPER CHAIN!

Use the spaces below to write down what makes you a good friend. Then, with help from an adult, cut out the rectangles. Make one into a loop and glue it together, then loop another rectangle through the middle and glue it together. Add all the rectangles and you will create a friendship paper chain!

## DRAW A PICTURE OF YOU AND A FRIEND!

Do you have a friend? They could be someone in your family, or from school – or even an animal!  
Draw yourself and your friend together in the space below. What will you do together?
