# GRUMPYCORN PAIRS

Cut out these cards to play Grumpycorn Pairs! The aim of the game is to match the pairs together.

- Shuffle the cards and place them face-down on the table
- Turn over two cards. If they match, remove the cards from the table and keep them in your 'win' pile. If they don't match, turn them back over and try to remember where they are for next time.
- Repeat until all the cards are matched up!
- You can play with friends or on your own!
