SHOE WARS CHARACTER CARDS

Print, cut out and colour in these character cards.
If you want them to be stronger, glue the cut out cards to cardboard of the same size to create a thicker card.

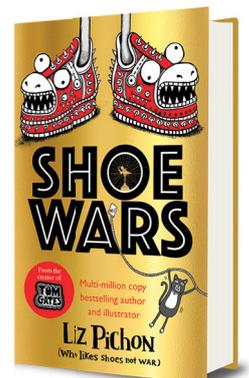

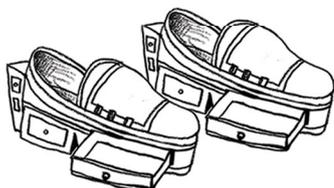

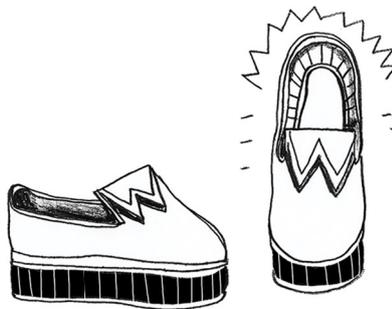

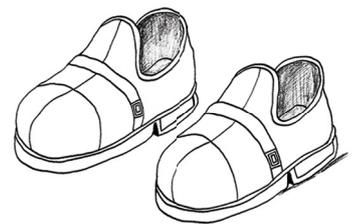

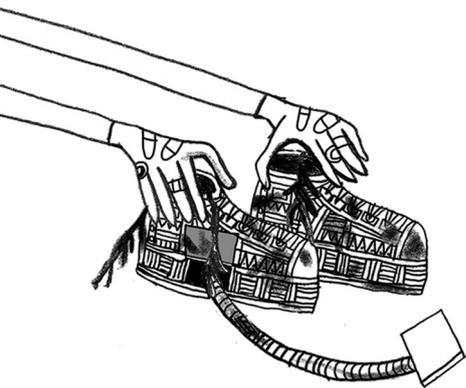

You can also use these cards to play Shoe Wars Pairs!
The aim of the game is to match the pairs together.

Shuffle the cards and place them face-down on a table

Turn over two cards. If they match, remove the cards from the table and put them in a 'win' pile. If they don't match, turn them back over and try to remember where they are.

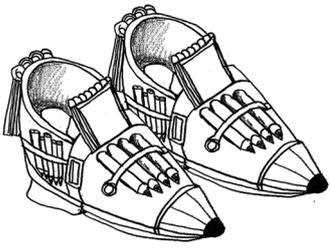

Repeat until all the cards are matched up.

Play with friends or on your own!
