Bike Plan Postal Summer  
Fix Canal Dog Secret

## ACTIVITY SHEET 2

# Design your own bike!

In My Brilliant Plan to Fix Everything, Alex uses his bike to takeover his Dad's postal delivery job. Use the space below to design your own bike. It can be any colour or style that you like - get creative!

A large, hand-drawn rectangular box in a light blue, sketchy style. The box is intended for drawing a custom bike. At each of the four corners of the box, there is a small, simple line drawing of a white envelope. The envelopes are positioned as if they are pinned to the corners of the drawing area.

# ACTIVITY SHEET 3

## Can you help Alex deliver his papers?

## ACTIVITY SHEET 4

# Create your own summer adventure

Use the first box to write about an adventure you want to have on your summer break. Do you want to take up a job, or go to a new place? What do you learn and what do you find? Use the second box to draw your adventure and bring it to life!

Write about your adventure here:
