

Name _____

Date _____

Difference

Join the questions to the answers.

The questions in the diamond shapes are:

- How many more is 6 than 3?
- How many less is 8 than 10?
- How many more is 9 than 2?
- How many less is 4 than 8?
- What is the difference between 7 and 5?
- What is the difference between 9 and 3?
- What is the difference between 10 and 1?
- How many more is 8 than 7?
- What is the difference between 10 and 0?
- How many less is 1 than 6?

The answers are represented by children holding signs with the following numbers:

- 10
- 9
- 5
- 4
- 3
- 6
- 2
- 7
- 1
- 2

Red lines connect the questions to the answers as follows:

- 'How many more is 6 than 3?' connects to '3'.
- 'How many less is 8 than 10?' connects to '2'.
- 'How many more is 9 than 2?' connects to '7'.
- 'How many less is 4 than 8?' connects to '4'.
- 'What is the difference between 7 and 5?' connects to '2'.
- 'What is the difference between 9 and 3?' connects to '6'.
- 'What is the difference between 10 and 1?' connects to '9'.
- 'How many more is 8 than 7?' connects to '1'.
- 'What is the difference between 10 and 0?' connects to '10'.
- 'How many less is 1 than 6?' connects to '5'.
